d. The Chief, Information Systems Security Group and the Deputy Director for Physical, Technical and Overseas Security, met [redacted]

25X1

[redacted] director, Office of Development and Engineering, to afford a briefing on the Information Systems Security Group's responsibility to conduct surveys relating to computer security.

Later, [redacted] director provided a comprehensive configuration briefing to Information Systems Security Group staff members. As a result of these meetings, the Information Systems Security Group will soon be conducting surveys of various [redacted] contractor facilities. (U)

e. The Department of Labor was provided statistical reports for calendar year 1980, submitted in compliance with reporting requirements of the Occupational Safety and Health Act. The total number of injuries/illnesses submitted was 284 (132 lost workday and 152 nonfatal). For comparison, there were 304 injuries/illnesses (140 lost workday and 157 nonfatal) during calendar year 1979. (U)

g. During the reporting period, the Security Education Group completed a tailored briefing for NFAC employees, over 2700 of whom have been briefed in a small audience format in less than one year. This is a milestone in implementation of a major security initiative that, judging from documented reactions of participants and observers, is a dramatic success in terms of the objective; i.e., bringing security responsibilities to the attention of Agency employees in a positive and supportive manner. (U)
